SUMMARY

Proactive student with deep hands on expertise in Linux administration and network security protocols. Technical troubleshooter passionate about resolving network/system anomalies and optimizing internal IT support desks.

EXPERIENCE

- **Cyber Security Intern (Focus: Cybercrime training for police)** (View Photos)
National Institute of Electronics and Information Technology, Kokrajhar, MeitY, Gov. of India August 2026 – Present
 - Involved in delivering specialized sessions on "Cybercrime and IT Essentials" for Assam Police personnel, including Inspectors, SIs, and ASIs, strengthening foundational digital investigation skills.
 - Working on cybersecurity projects with NIELIT Kokrajhar and also involved on taking classes of BCA and course students.
- **Internet Governance Intern (Focus: DNSSEC & Infrastructure Security)** (View Certificate)
National Internet Exchange of India (NIXI), New Delhi, MeitY, Govt. of India Oct 2025 – Dec 2025
 - Mastered core technical mechanisms of Internet Governance, regional routing architectures, and DNS infrastructure hierarchy.
 - Conducted extensive analytical research on validation issues and deployment problems of DNSSEC adoption across production DNS Resolvers in India.
- **Intern – Network Security Projects (Focus: Compliance testing)** (View Certificate)
National Centre for Communication Security, Bengaluru, DoT, Govt. of India July 2025 – Sept 2025
 - Collaborated on critical network security frameworks and programmed standalone Python tools to automate system compliance testing.
 - Successfully minimized protocol compliance verification and diagnostic turnaround times.
 - Gained extensive exposure resolving infrastructure issues within complex enterprise networks and cybersecurity auditing landscapes.

SKILLS

Operating Systems & Servers:	Linux (Kali, Ubuntu), Windows (CMD, PowerShell), Apache, Nginx
Networking & Security:	TCP/IP, DNS, DNSSEC, VPN, Firewalls, Wireshark, DHCP, Network Troubleshooting
Tools & Frameworks:	Scapy, Nmap, Testssl, Burp Suite, OWASP ZAP, GitHub, VirtualBox
Scripting & Automation:	Basic Python Scripting, Bash Scripting, AI assisted systems development

EDUCATION

- **B.Tech in Electronics and Communication Engineering** CGPA: 7.13 / 10
Gurukula Kangri (Deemed to be University), Haridwar, Uttarakhand Nov 2022 – July 2026

PROJECTS

- **Network Traffic Analyzer & Packet Sniffer** Live Demo / Repository
Independent Systems Project Python, Scapy
 - Developed a lightweight network packet sniffer capable of capturing and decoding real time data frame layers.
 - Implemented custom classification logic to filter and flag risky protocol flags while capturing and analyzing 900+ active packets.
 - Used command line tools to monitor bandwidth usage, track packet loss, and help diagnose network routing problems.
- **Cellular Security Monitoring & Diagnostics Device** Live Demo / Repository
Academic Engineering Project Python, Linux
 - Engineered a real time RF network tracking device deploying RTL-SDR hardware configurations alongside an active Raspberry Pi host node.
 - Implemented adaptive thresholding infrastructure with dynamic baseline calibration, significantly upgrading diagnostic detection accuracy.
 - Developed standalone background logging daemons with structured diagnostic data output and LCD modules for physical asset fault isolation.

EXTRACURRICULAR ACTIVITIES & LEADERSHIP

- **Active Resource Person** More Details
NIELIT Kokrajhar EC August 2026 – Present
 - Taking training sessions for Assam Police Officers on "Cybercrime and IT essentials" to empower officers with real world digital crimes arising now a days.
- **Technical & Community Speaker** More Portfolio Details
Institutional Workshops & Outreach Nov 2025 – Dec 2025
 - Organized and hosted an infrastructure engineering workshop covering DNS architectures, IPv6 mechanics, and core systems protection workflows for 50+ engineers at Gurukula Kangri University Haridwar.
 - Led a technical outreach cybercrime session detailing common cyber attacks and digital responses for an audience of 80+ class 9 students at Jawahar Novoday Vidyalaya Haridwar.
